Tulane vs. Virginia Tech

A fresh new season starts today for Tulane's Greenies and chances are good that it will be one to remember. Tulane talk is not necessarily of championships, but the outlook for having a strong, exciting team is reflected in all reasonable optimism.

Andy Pilney, starting his third campaign as Greenie head coach, has 25 returning lettermen, including eight of last year's regulars. But despite the pleasant presence of these familiar faces, he will know considerably more about the team's ability as a unit after today's clash with Virginia Tech.

As all Greenie fans know, the home team stars to watch include co-captains Ronny Quillian (40) at fullback, Donald Miller (50) at center and Dalton Truax (72) at tackle. They are three of the squad's 16 seniors who are determined to make their final season's fling their best one. Also, anyone keeping an eye on the Tulane split T could hardly miss quarter-back Gene (The Mouse) Newton, who wears Number 12. There are other standouts, too - enough to prove that this will not be an outfit of individual stars.

Virginia Tech, coached by ex-Alabama quarterback Frank Moseley, goes against a Tulane team for the first time. The Gobblers, from Blacksburg, Va., have been

among the Southern Conference's most capable teams in recent years. They were undefeated in 1954 and went 6-3-1 last fall. They are definitely not a soft touch, particularly for a season opener.

Tech's standards will be carried high by such men as fullback Don Divers (11), halfback Bobby Wolfenden (24) and end Grover Jones (81). The Virginians are a sturdy combination of experienced players and ambitious newcomers. Like Tulane, they know well the intricacies of the split T.

Tulane Songs

ALMA MATER

We praise thee for thy past, O Alma Mater! Thy hand hath done its work full faithfully; The incense of they spirit hath ascended And filled America from sea to sea!

We praise thee for they present, Alma Mater! Today thy children look to thee for bread! Thou leadest them to dreams and action splendid!

The hunger of their souls is richly fed!

We praise thee for thy future, Alma Mater! The vista of its glory gleameth far! We shall ever be part of thee, great Mother! There thou will be where e'er thy children are!

Chorus

Olive Green and Blue, we love thee. Pledge we now our fealty true Where the trees are ever greenest, Where the skies are purest blue. Hear us now, O Tulane, hear us. As we proudly sing to thee! Take from us our heart's devotion! Thine we are, and thine shall be!

ROLL ON, TULANE

Here's a song for the Olive and the Blue. Here's a cheer for the team that's tried and true. Here's a pledge of loyalty to thee.

Oh, Tulane Varsity.

name.

Here's to the Greenbacks that never will say die, And here's to the hearts that are true To the men of Tulane who are fighting for her

For the Olive and the Blue.

Chorus

Roll, Green Wave,
Roll them down the field.
Hold, Green Wave,
That line must never yield.
When those Greenbacks charge through the line
They're bound for victory.
Hail, Green Wave,
For you we give a cheer.
Hail, Green Wave,
For you we have no fear.
So ev'ry man in ev'ry play,
And then we'll win that game today.
Hurrah for Old Tulane!

Tulane Stadium

Tulane Stadium, famous as the home of Green Wave football teams and of the annual Sugar Bowl Classic, was dedicated 30 years ago this fall with east and west stands seating 35,000. Subsequent enlargements, due in large measure to the efforts of the Sugar Bowlers, have increased the capacity to its present 80,985. The stadium is located on the site of the Etienne de Boré plantation, where sugar was first granulated in this country.

We are happy to report that if you understood the football rules last year you will have no difficulty with them this year.

The Rules Committee of the N.C.A.A. is continuing its policy of holding changes to a minimum and constantly working toward standardization of the Rules for the best interests of all concerned.

There are a number of refinements and editorial changes for the sake of clarification, but very few changes of major significance. One of the principal changes this year is to reinstate the rule covering eligible pass receivers to its former status. Last year, if a center, guard or tackle was in an end position, he was not eligible to receive a forward pass when a teammate was behind him or outside of him. This year the rule says, "Any player in an end position on the line of scrimmage may receive a forward pass", so we are right back where we started.

Other changes are as follows:

GAME CLOCK STARTS ON KICK-OFF WHEN BALL IS LEGALLY TOUCHED: In the past the game clock has always started when the kicker's foot made contact with the ball. Now the game clock will not start until the ball has been legally touched.

In the past it would have been possible for the kicking team in the closing seconds of the game with a small lead to protect to run the game clock out by kicking the ball out of bounds or by illegally recovering it before the defensive team had a chance to get possession of the ball. This change will eliminate the possibility of the kicking team taking advantage of such a situation in the future.

CLIPPING AND BLOCKING REDEFINED: Clipping was formerly defined as, "blocking an opponent, other than the runner, from behind." This year clipping is defined as, "running or diving into the back, or throwing the body across the back of the leg or legs of an opponent not carrying the ball."

Blocking was formerly defined as, "obstructing a player with the body." This year blocking is defined as, "obstructing an opponent by contacting him with any part of the blocker's body."

ASSISTING RUNNER IN GAINING FORWARD PROGRESS REDEFINED. For many years, there has been a 15 yard penalty for a teammate helping the ball carrier by pulling, pushing, or lifting him from the ground. This rule has been

further strengthened this year by the addition of the phrase, "or charging into the Runner to assist him in gaining forward progress."

TIME OUT TO REPLACE JERSEYS OR PADS CHARGED TO TEAM UNLESS EQUIPMENT IS DANGEROUS TO OTHER PLAYERS: In the past, if a jersey was torn so that the number was illegible or pads were not held in proper position, the referee could give that team a time-out and charge himself. Under this ruling the tear-away jersey became a very popular item for obtaining free time-outs. No more! This year the referee will not allow a free time-out unless, in his opinion, the equipment has definitely become dangerous to other players.

PROCEDURE FOR GETTING A KICKING TEE ONTO THE FIELD: It has always been a moot question as to whether or not it was "coaching from the sidelines" when a kicking tee was thrown onto the field. The rules make it very clear this year as to what the procedure should be. If the game clock is stopped and a tee is thrown onto the field, this is legal. If the game clock is running and a tee is thrown onto the field this will be considered as "coaching from the sidelines" unless an official is notified that a tee was being requested.

LEGAL USE OF HANDS OR ARMS AFTER A FORWARD PASS HAS BEEN TOUCHED: When a legal forward pass has been thrown, defensive players have the same rights as eligible offensive players to catch the ball, but no player shall deliberately interfere with the other's opportunity to catch the ball. Once the ball has been touched, the complexion of things changes and any eligible receiver who has a reasonable chance to make the catch may use his hands or arms to push an opponent out of the way.

NUMBERING SYSTEM: The Rules Committee has further recommended the following numbering of players for the convenience of spectators, coaches and officials:

Backs	10-49
Centers	50-59
Guards	60-69
Tackles	70-79
Ends	80-89

Such numbering of players makes it much easier to follow the game.

RUBBER COVERED FOOTBALL: For several years the Rules Committee has permitted the use of a rubber covered football provided it was mutually agreed upon by the two contesting teams. This year either team may elect to use a rubber covered ball while on the offense.

How to gain 52,800 yards

(per tankful of gas)

EASY-FLOWING, multi-grade Super Permalube reduces "engine drag" like no other motor oil made. By conserving power with every piston stroke, it saves gasoline by the gallon — up to two gallons of gas in a tankful.

WILL SUPER PERMALUBE

Motor Oil save gas in *your* car? Pan-Am guarantees it. It's *got* to save gas in your car, or you get your money back.

AND SAVING FUEL is only half the story. Super Permalube gives you the most complete engine lubrication you can buy. Keeps your engine clean and young and powerful. Keeps it out of the repair shop — eager for the road. Change to the modern motor oil —Super Permalube—at Pan-Am.
