## Tulane Vs. Georgia

Tonight's game marks the 20th meeting between Tulane University and the University of Georgia on the gridiron and if the record book can be used as a barometer, fans may be in store for a thrilling game.

The Tulane-Georgia series, which began in 1919 when the rivals played to a 7-7 deadlock, has been a particularly spectacular series with close contests numerous over the years.

KARL

It was the Tulane-Georgia game in 1955 that produced the first big win for a Greenie team coached by Andy Pilney. And that 1955 game also was the "coming of age" or debut of the player who will quarterback Tulane tonight.

Gene "The Mouse" Newton (12), the little man who is a big one in the Wave lineup, staged the first of his many outstanding performances in that encounter as he went 49 yards for one TD and rolled out for another shorter scoring romp to pace the 14-0 victory.

Since the first tie game in 1919, Tulane has won eight and Georgia 10 with the last three games, 1953, '54 and '55, being close exciting duels. Georgia eked out a 16-14 win in '53, and a 7-0 decision in '54, before the Wave broke through with the 14-0 win in '55 to break a five-game losing streak to the Bulldogs.

Coach Wally Butts, the oldtimer who can be counted on to produce a dangerous attack, again brings to New Orleans an explosive offensive team. Georgia's 1956 record of 3-6-1 is no indication of the potential on the current club.

The Bulldogs boast a pair of talented quarterbacks in Charley Britt (17) and Tommy Lewis (12). Both are excellent passers and dangerous runners as well as being experienced in the art of running a T formation backfield. Big Riley Gunnels (76) a tackle veteran, is the standout in the line.

Against Georgia's talent, Coach Pilney will count on Newton's proven ability and the fast-improving play of such Greenies as guards John DiVietro (62) and Jimmy Blount (69), center Benny Ray Tyler (53). In the backfield, Tommy Warner (33), Cene Tarzetti (25), Boo Mason (20), Virgil Jester (25) Richie Petitbon (17) and Roy Marcel (43) are the boys to watch.

Each year the Tulane Alumni Association and Tulane alumni clubs in a number of Southern cities present the Tulane Conferences—a series of educational-cultural meetings for all interested in education. Thirty Tulane University faculty members direct the discussion. Shown here are two Tulane medical scientists who spoke during the 1957 Conferences on the effects of the atomic bomb.

Above: Dr. L. M. N. Bach, professor of physiology at Tulane, discusses human engineering during the 1957 Tulane-Jackson Conference. Below: Dr. John R. Hubbard, dean of Newcomb College, talks over the role of women's colleges in today's world with Tulane alumni of Lake Charles at Tulane-Lake Charles Conference.

Dr. Joseph C. Morris, professor of physics at Tulane, talks on the forthcoming flight of the first man-made satellite during the Tulane-Mobile Conference of 1957, above. Below is a copy of the 1st Place award given to Tulane by the American Alumni Council to promote the Conferences by direct mail. Tulane also won a special award for sponsoring the Conferences as "an outstanding contribution to higher education."

One of the most successful panel discussions during the 1957 Conferences was devoted to the topic, "Tommie Needs a Teacher"—a discussion of the teacher shortage. Shown here are Dr. Harold N. Lee, professor of philosophy at Newcomb, (left) and Dr. George E. Barton of Tulane's teacher-training program.

# time for Living

More than anything else, a KitchenAid dishwasher brings you the precious gift of *time*. You have time to be a part of things—family fun and friends-after-the-game—secure in the knowledge that all's well in the kitchen.

Indeed, your dishes could not be in better care. Your KitchenAid is produced by Hobart—another way of saying it's *the finest made*. You'll see the evidence everywhere you turn: The new Timed Spray Cycle that "warms up" tableware and dishwasher interior, clears plumbing lines of cold water before the wash action starts. The easy-rolling, cushion-coated racks that take the guess out of loading. The revolving power wash system that leaves your

tableware *hospital-clean*. The separate blower that dries even fine crystal to perfection.

Yet—wonder of convenience—Hobart has contrived to work all these features into the *standard cabinet width*; you don't give up space you sorely need. By all means, see the new KitchenAid by Hobart. You'll find just the model to go with your kitchen, as surely as it goes with your way of life. And see the new food preparer and the electric coffee mill—they're KitchenAid, too!

See the new KitchenAid! Write The Hobart Manufacturing Co., KitchenAid Home Dishwasher Division, Dept. CFP, Troy, Ohio. In Canada: 175 George Street, Toronto, 2.

## *Tulane Stadium*

Tulane Stadium, lighted this year at a cost of \$168,000, is famous as the home of Green Wave football teams and of the annual Sugar Bowl Classic, was dedicated 31 years ago this fall with east and west stands seating 35,000. Subsequent enlargements, due in large measure to the efforts of the Sugar Bowlers, have increased the capacity to its present 80,985. The stadium is located on the site of the Etienne de Boré plantation, where sugar was first granulated in this country.

## ALMA MATER

We praise thee for thy past, O Alma Mater!  
Thy hand hath done its work full faithfully;  
The incense of thy spirit hath ascended  
And filled America from sea to sea!

We praise thee for they present, Alma Mater!  
Today thy children look to thee for bread!  
Thou leadest them to dreams and action  
splendid!  
The hunger of their souls is richly fed!

We praise thee for thy future, Alma Mater!  
The vista of its glory gleameth far!  
We shall ever be part of thee, great Mother!  
There thou will be where e'er thy children are!

### Chorus

Olive Green and Blue, we love thee.  
Pledge we now our fealty true  
Where the trees are ever greenest,  
Where the skies are purest blue.  
Hear us now, O Tulane, hear us.  
As we proudly sing to thee!  
Take from us our heart's devotion!  
Thine we are, and thine shall be!

## ROLL ON, TULANE

Here's a song for the Olive and the Blue.  
Here's a cheer for the team that's tried and true.  
Here's a pledge of loyalty to thee.  
Oh, Tulane Varsity.  
Here's to the Greenbacks that never will say die,  
And here's to the hearts that are true  
To the men of Tulane who are fighting for her  
name,  
For the Olive and the Blue.

### Chorus

Roll, Green Wave,  
Roll them down the field.  
Hold, Green Wave,  
That line must never yield.  
When those Greenbacks charge through the line  
They're bound for victory.  
Hail, Green Wave,  
For you we give a cheer.  
Hail, Green Wave,  
For you we have no fear.  
So ev'ry man in ev'ry play,  
And then we'll win that game today.  
Hurrah for Old Tulane!

## SPORTS SHORTS

### SYMBOL OF VICTORY

The Greeks were the first to award trophies for athletic prowess. Olive leaves were awarded to all victors in the first Olympic Games — but the winners found they didn't last very long on the chest or in the trophy room. The first substitution was to permit the winners to erect monuments or statues of themselves. Wealthy athletes managed to have them placed in the public square. The less fortunate wound up by nailing their trophy to a tree. The Romans hit on the idea of awarding bits of silver to the athletes — something they could proudly show at any time. Since then, trophies have been turned out by the carload with silver a big favorite. American collegiate football, however, has found a variety of less glamorous trophies to fight over. For instance: Little Brown Jug, Bell Clapper, Golden Egg, Kit Carson Rifle, Indian Skull, Old Hawg Rifle, Iron Frog, Old Shoe and The Keg.

As a switch, the loser of the annual San Jose State-Fresno State game earns the "We Lost" trophy. The Greeks have not as yet come up with a word for this situation.
