

June 13th - Billy arrived
from Shreveport yesterday, and intends
writing by the same lady. He has
not received his money from the gov-
-ernment yet, but will send some to
Chorain. If you can, you must write
by Mrs. Murphy, and let me know
how you are getting along, and whether
Confederate money will be of any ser-
-vice to you or not, if it is I can send
you some almost any time.

Ever hoping that you may be blessed
with health and happiness, I remain your
affectionate brother (Trans.)
