DICKIE BRENNAN'S STIMULUS PLAN

We all did well giving up our vices for Lent, but now that it's over let's toast with a really good glass of wine. As part of Dickie Brennan's Stimulus Plan, we're offering wines that are normally splurges for special occasions, at prices that are well below standard restaurant pricing. Everyone deserves to indulge themselves, now you can do it without fretting later. Peruse the options below (*trust us, these are not your garden variety grocery store brands*).
