NOVEMBER 25

#### *Penny Post and the Corporate Cup*

On Sunday, December 14, the annual Corporate Cup Run will test the endurance of the New Orleans business-types with a 5K race. The Penny Post will be well represented.

Two members (that we know of at press time) will be participants: Arlene Mavor and Pat Thomas.

The Post will also have a refreshment booth at the Superdome and one of our own musicians, Rusty Ferro, will be performing with his band, The Bent Fender Road Band.

We are fortunate to have the opportunity to meet a lot of potential members and patrons at one of New Orleans most media-covered events. Show your support for our runners along the race course. And lend a hand in preparing refreshments or working the booth.

For more information on the booth contact Arlene Mavor or come to one of the November business meetings.

#### Post Musicians Around Town . . .

Ed Sherry will sing in the Tulane University Production of  
TRIAL BY JURY in November.

True Brew Coffee near Whole Food on Esplanade features 3 Post musicians:  
Jim Pilgrim on Thursdays (8-10) and Saturdays (8-11)  
Ricky Vaughan on Fridays (8-11)  
Patric Swafford on Sundays (8-10)

Rusty Ferro's Bent Fender Road Band appears regularly at  
Carrollton Station. Check the paper or the Post for dates/times.

#### Post Performers at Reading Conference

The Penny Post will provide strolling performers at the 5th annual Children's Reading Conference on Saturday, November 15, 1986 at Rudolph Matas Elementary School, 1001 Elise Avenue in Metairie from noon til 2pm. Stop by and support your musicians and the Children's Reading Conference.

#### Music Schedule Change

In order to encourage musicians to sign up more often the Penny Post music schedule rules have been revised. You can now sign up to perform once a week (not including weekends) when the schedule is released on the first of the month.

The music schedule has not been filled using the current schedule rules so the board decided to make some changes. There are a lot of open dates at all time slots on the November schedule. Get to the Post and sign up for a couple of sets soon.

#### Are you receiving the Newsletter?

We may not have your correct address. If you aren't receiving your Penny Post newsletter put a note in the file folder on the bulletin board near the counter next time you're in. Give us your name address, telephone number, when you want to work the counter or if you play an instrument.

It is important that you receive the newsletter and that we have your correct address so let us know as soon as possible.

*HOLIDAYS BEGINNING: This is the beginning of the holiday season and the time for friends and family to get together. Stop by the Post and visit awhile in the coming weeks. We'd like to see you soon.*
