PENNY POST NEWSLETTER

Thanks to the wonderful crew - Stephanie Compton with friend, Arthur, Pat T, and Kathleen - for their clean-up efforts at the Post. With their help, the Penny Post passed inspection by the State Department of Health.

Bluegrass night was PACKED! We thank Wabash III and Hazel and the Delta Ramblers for their great performances. Special thanks go out to Jerry Bagwell for arranging this fun and profitable night for the Post.

CHEESE NIGHT - APRIL 19th

Fear it! Cheese night has arrived. Now, many a folk has asked me to define or describe "cheese" for them. I have determined that this is impossible; "cheese" must be experienced in order to understand. The list of performers for Cheese Night, Friday, the 19th includes: Arthur, Bill, Bud, Carole, Dave, Gina, Jonathon, Julie, Kathleen, Mark, and Steve. Come and see cheese--up close and personal.

NO SMOKING POLICY AT THE POST

In response to numerous requests by performers and patrons of the Penny Post, a NO SMOKING policy at the Post has been developed. It is as follows:

1. No smoking in the stage area (unless the performer states that he/she does not mind).
2. ALL WEDNESDAYS ARE NO SMOKING NIGHTS. That means on these nights, we ask all smokers to step outside to enjoy their cigarettes.
3. Due to the small size of the Penny Post, when the crowd exceeds 30 people, we ask smokers to again step outside before they light up.
4. Finally, there will be a floating Friday and Saturday of non-smoking. These nights will vary from month to month. Please check the schedule for the exact nights. The first trial week-end night is Saturday, APRIL 13.

Business Meeting - Tuesday, April 9 at 7:00 pm. Agendas are available at the Post. ALL MEMBERS are welcome to attend.

AIR AND WATER PURIFIER AT THE PENNY POST

Mr. Joey Mills III, CEO of PROPERTY DOCTORS, has donated a water purification and an air purification system to the Penny Post. I have noted a marked improvement in the air quality when the air purifier is on. Thanks again to Property Doctors.

RECYCLING VOLUNTEER NEEDED - If you are interested in bring the Post's collected cans (and perhaps glass) to be recycled (and bringing the profits back to the Post), please call Terri at 524-8942. We need someone to do this about twice a month.
