Longines

THE WORLD'S MOST HONORED WATCH

Longines, official football timing watch for this game, is the sports world's most honored watch. For many years Longines Watches have timed the principal championship football, track, basketball, swimming, auto racing, aviation, ski, bobsledding, rodeo, and other sports events. For the 1940 Olympics Longines was selected as exclusive official watch; an honor which was repeated by the Organization Committee for the first Pan-American Sporting Games.

Other Longines honors include 10 world's fair grand prizes, 28 gold medals, and more acknowledgments of accuracy than have been won by any other timepiece. Throughout the world, no other name on a watch means so much as Longines, *the world's most honored watch.*

*The beating heart of every Longines Watch
the Longines "Observatory Movement"*

The skill, experience, and workmanship necessary for the construction of Longines Watches for precision timing, aviation, and navigation, are reflected in the greater accuracy of every Longines Watch at any price. And every Longines Watch contains the Longines "Observatory Movement" world-honored for greater accuracy and long life.
