VOX HUMANA

C. EL SASSER 82

February 11, 1982

Hi **Vox Humana** reader! Did you think we'd forgotten you? Now, you know we wouldn't do that! And to prove it to you we're even putting out another special Mardi Gras issue in only one week! How's that for service? There is so much going on in this festive season that just one issue isn't enough...

Tomorrow night, February 12, at 10 p.m., WTUL is anxious for you to hear something new-an interview with and the music of **The Tom Tom Club**. The Tom Tom Club is a band composed of Tina Weymouth and Chris Franz, both from **Talking Heads** fame, and Adrian Belew from *Remain in Light*. If you like the Talking Heads, don't miss this one!

Basement Tapes are still rolling right along every Wednesday night at 12 midnight with absolutely the *best* in late-night entertainment (no, sorry, it's not x-rated). Flick on your radio February 17 to enjoy **Main Street**, with an afterword by *Norman Cousins*.

Speaking of rolling, which leads one to think of balls, which leads one to think of basketball...the Green Wave has two upcoming games, both at home:
February 13..... Tulane vs. St. Louis, pregame at 12:25
February 17..... Tulane vs. Southern Miss., pregame at 7:25

Furthermore, absolutely *banish* the thought that we may have sold out of **WTUL T-shirts and calendars**. We've got plenty for all, so if you haven't ordered yours yet, do so now! Remember, the shirts are dark blue with the white WTUL logo on the front and are \$6.50. When ordering, state size: S, M, L, XL. The calendars are full of fun facts, dates, and sketches, and are \$4.00. Mail your name and address along with a check payable to WTUL to: WTUL T/C, Tulane University Center, New Orleans, La., 70118.

And for you folkies out there, don't forget **Ace's Global Folk Show** every Sunday from 1-4 p.m. Tune in on February 14 with your honey to hear **Dinah Breaux, Troy Adams**, and the **Hot Damn Jug Band**.

As there are folkies, so there are jazzies (?). Anyway, a new addition to WTUL's World of Jazz can be heard on Sunday night from 11:30 p.m. (after Sports Digest) 'til 2:00 a.m. Take a freefall with Ramy as he hosts **Late Nite Jazz**. You'll hear the more unusual works of greats like Anthony Braxton, Charles Mingus, Ornette Coleman, Keith Jarrett and other freedom sounds. Also, don't forget to listen to our weekly **jazz album hour**. February 14 is a special one with *Echoes of an Era*, starring **Chaka Kahn, Chick Corea, Stanley Clark, Lenny White, Joe Henderson, and Freddie Hubbard**.

Our cover artist this issue may well be familiar to you, as he should be. He is **Christopher Elasser**, the same guy who drew our cover for us last issue. Obviously he's into a science fiction vein, as this baby...whatever... illustrates.

And a final bit of trivia-February 2 marked WTUL's **10th** anniversary! Happy birthday to us, happy birthday to us...hmmm, anyway, if you would like to receive **Vox Humana** for free every two weeks (or thereabouts), drop us a line including your name and address to **Vox Humana**, Tulane University Center, New Orleans, La., 70118. Also, if you are on our mailing list twice, or if we consistently keep sending you a **Vox Humana** that you do not want, or if filling in the order blank below will facilitate the process of you asking for **Vox**, please do fill it out and mail it to us at the address above. Thanks!
