Mr. John K. Toole
390 Audubon Street
New Orleans 18, Louisiana

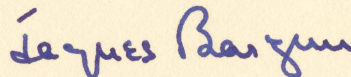

Dear Mr. Toole:

My congratulations to you on the award of a Woodrow Wilson fellowship at Columbia University. We are indeed looking forward to your presence on our campus.

I am having the Graduate Student's Guide sent to you at this early date in the belief that you may want to consult it, especially page 77 which refers to housing.

Please let me know if there is anything further I can do in advance of your arrival.

Faithfully yours,

Jacques Barzun
Dean of the Graduate Faculties
