Dear Mr. Toole:

This letter is in the nature of an interim report to notify you that the National Selection Committee has designated you a selected candidate for a Woodrow Wilson Fellowship.

Final election to the Fellowship is contingent upon concurrent action by the university of your choice. I have, accordingly, forwarded your credentials to that graduate school. If the university sustains the action of the National Selection Committee and accepts you as a Woodrow Wilson Fellow, I shall be able to make final announcement of the award on April first.

Sincerely,

Richard C. Boys  
National Director

Your credentials have been forwarded
