Dear Mr. Toole:

The Woodrow Wilson Foundation is happy to add its congratulations to the many you have undoubtedly been receiving upon your scholarship from the Woodrow Wilson National Fellowship Foundation. Though in no way affiliated with the Fellowship Foundation we are proud, as we hope you are, to be identified with the name of Woodrow Wilson.

The Woodrow Wilson Foundation was established in 1922, during the last years of the life of the war President, as an institution for carrying on the Wilsonian ideals - in the field of international organization, domestic reform and educational enlightenment.

A short biography of Wilson is enclosed, together with a brochure on the Woodrow Wilson Foundation. The services and materials described are available to you upon request. We would be happy to hear from you.

In the meantime, best wishes for continued success in your studies.

Sincerely yours,

August Heckscher
