Dear Mrs. Toole:

Enclosed please find our check in the amount of \$9,932.32. This represents your share of payments for the following:

Book-of-the-Month Club	\$1318.36
Laffont Publishers	\$3750.00
Carson Film Company	\$4863.96

9932.32

The amount due from Carson Film Company is your share of the second-year option, plus the additional fee for extension of the first year, less fees charged by Gene Winnick for legal services.

Laffont is, of course, the publisher of the French edition, and this is your share of the first half of the advance, due upon signing of the contract.

We are pleased to see a continuing sale of the book through Book-of-the-Month Club, and anticipate even further sales for the next few months.

Sincerely yours,

Dianne Guidry
