Dear Mrs. Toole:

I recently finished reading A Confederacy of Dunces, and was so impressed with it that I dashed off a letter to Walker Percy to inquire about its availability for a motion picture. Mr. Percy gave me your address.

While Mr. Percy mentioned that Carson Productions might have already optioned the book for a film, I am still hopeful that Dunces is still available. Is it currently optioned? If so, for how long?

Any information you could provide me about the book and its current status would be greatly appreciated.

Thanks very much for your time.

Sincerely,

Randy Schultz
