

**HILTON HEAD ISLAND — BEAUFORT COUNTY, S. C.**

Beautiful scene includes remains of a Spanish-American War gun emplacement in background. The island is virtually a tropical paradise, rediscovered when a bridge in 1956 ended a century of isolation. First explored in 1562 by French Huguenots, the island is now being developed into an unsurpassed resort center.

Hi Thelma,

010

Thinking of you while relaxing on the gorgeous beach. You would love it, too.

I've been very busy moving stuff apt, thanks I drawed for Ch. 8 & V. Dave, who helped give the
