Ihnen mitzuarbeiten, was ich heute
mein am 15 d. fertiges MS eingeschrieben
an Ihre Adresse nach Bärenburg
geschickt habe. Sie dankt Ihnen

mit Interesse für den Vorzug des

Mich., 1945, Ph.D., 1948;
June 10, 1943; children—
Mary Bartlett, Frederick
Port Sulphur Co., New Or-
leas, research investigator
1942-47; asst. prof.
Coll. Sch. Mineral Indus-
try, Okla., 1952-55; asso.
U., 1955-56; Erle P.

Engineering University of
Advanced materials research
Technical Center, Toledo,
National Clay Conference,
1959. Mem. Clay Minerals
Soc., N.Y. Acad. Scis.;
Soc. (past mem. exec.
), A.A.A.S., Am. Cryst.
Soc., Phi Beta Kappa,
Sigma Xi, Tau Beta Pi, Phi
Kappa Phi. Articles. Investigation of
structure of glass and glassed-
down by x-ray spectroscopy;
Differential absorptiometry
spectroscopy; identification and
analysis of minerals; new interfacial
analysis on Ridge Rd., Sylvania,
Ohio, Toledo 43607.*

son; b. Victoria, B.C.,
Bartholomew's Hosp.;
sons. Clin. lectr. oph-
thalmology, ophthalmic surgeon
Royal Westminster Oph-
thalmic Hosp. for Nervous
Diseases, Royal Coll. Physicians,
Royal Coll. Surgeons. Cont-
-18, 1921.

biologist; b. Circle-
-ohn A. and Mary Rose
U., 1933; Ph.D., U.
-ayes, Sept. 3, 1933;
-Robert Reid Haley),

chians (pres. 1962—), hon. numerous socs.; mem.
numerous fgn., domestic prof. socs. Author: (with
Beaumont) Recent Advances in Medicine; (with
Dickens) Chemical and Physiological Properties of In-
ternal Secretions; (with Whitby) The Laboratory in
Surgical Practice. (With others) isolated hexestrol
(synthetic estrogen), 1938; introduced dienestrol,
1938; discovered stilbestrol, 1938; greatly contbd.
to furtherance of med. research, also to application
of sci. knowledge to problems of world soc.

DÖDERLEIN, Albert Siegmund Gustav, German ob-
stetrician; gynecologist; b. Augsburg, Germany, July
5, 1860; s. Gustav and Natalie (Casella) D.; studied
medicine in Erlangen, and Munich (both Germany);
