My dear Langshaw

May come, if you can,  
on Wednesday rather than to-  
morrow. for then we can lunch  
<sup>a quarter to</sup>  
together at home, and I shall  
not need to leave home till half  
past one - I fear I can suggest  
nothing useful for your sister;  
but we can try to do so in  
consulting. Always sincerely yours  
James Paget
