Dear Miriam,

The aura of happily remembered high school years, with the sweet friendships formed, the future plans shared, and the respect and love generated by dedicated Teachers, principally Sister Mary Bernard, pervades

ed by Sister Mary Bernard
and Claire Larche (I don't re-
member her religious name) con-
ferred a spiritual tone on the occa-
sion.

The magnitude of the effort
made by you and your assistants
was amply repaid by a glowing
success.

Your handsome property, so
competently maintained, is a great
asset to your neighborhood.

Love and admiration to you!
