THANKS!

P.S. I am Truly honored you chose
to dedicate your program
to me in addition to Dr. Hackney
and Dr. Starr!

PPS. I would like to play piano
for you sometime when we

Dear Mrs. Toole,

Spending time with you Tuesday
afternoon was pure delight! Your
spirit and warmth sing beautiful melodies
alone... Kevin and I were keenly engrossed
with the aura of brilliance which surrounds
you! I want to thank you for showing
yourself, your son's life, your 'nostalgia'
songs and for showing us portraits of two
truly noble beings: your son, and yourself.
Lastly, thank you for those marvelous note-
cards. I'll treasure them always as a gift
from someone I truly admire. We'll be
in touch with you about further details on
the November 2nd presentation! Yours Truly,
Sherril Berkson
