New York, 13th Sep^r 1839
Lewis Tappan Esq
Song Street New York

Dear Sir,

We are on principle in favor of those sentiments you advocate, but our interest in the ^{weekly} circulation of nearly ten thousand copies of the 'New Reporter' prevents us giving public vent in that journal, to such feelings. However wishing well to the cause we beg to enclose five dollars towards the expenses of employing counsel &c. for the unfortunate Blacks charged with Piracy

Yours very respectfully,

Sylvester & Co
