New London 4<sup>th</sup> Nov. 1839

Dear Sir

I am told that John Jay  
Hyde, editor of the New London Gazette,  
says very publicly that the young Spaniard  
told him he knew the negroes were  
just from Africa - We think it would  
be well to have Hyde summoned, but  
as he is not an abolitionist, it would  
be well to have Davilion Haley summoned  
also, he heard the conversation I held  
with the Spaniard & is willing to  
swear to it - Can you not write to  
the District Attorney & get the witness  
summoned on behalf the United States  
so as to save the Committee any expense,  
as they will not be willing or able to  
bear their own expenses

Very truly yours

Dwight P. Lanes

also be done the concentration  
with the specimens & is willing  
to see you not with the  
the British & get the  
summarized on behalf the  
to see the Committee only
