

Cazenovia March 22 1841

Dear Sir

The Church of Christ# in this place have contributed twenty two dollars for the bible cause by them designed for the benefit of the African Mission particularly in connexion with the American Captives (so called) on their return. I am requested to solicit information from you, whether this little sum can soon be profitably used for that object. Please inform as soon as practicable

Respect, Yours

Peter A. Carey

Lewis Tappan Esq

A small church that do not wish to have any human saybill on their heads to distinguish them from other christians, for they believe that nothing but locality should distinguish one Christian from an other
