

It will be sufficient for you to send
me a copy of the "Reporter" containing the
acknowledgements - Directed Vernon
Village Onondaga Co. N.Y.

October 24, 1840

With great Respect

I am & yours

H. P. Bogue

P.S. I hope no efforts will be spared to
secure the freedom of those men,
which can have the remotest bearing up
on a favorable result - Let the
best talent of the Nation be brought
into requisition for their defence.
If you want funds, say so & I
have no doubt there are Philanthropists
in the nation enough to furnish
them - I have sent you a
small sum because I think it
desirable that hundreds of congregations
in the land should have the
privilege of doing as we have done.

Yours etc -

H. P. Bogue
