

October 11, 1841  
me.

Hallowell Oct 11 1841

Mr Tappan Dear Sir

The enclosed I send you as it came to me, and I doubt not it will be as pleasing to you as to me.

The writer is an old man living far back in the country, and states his living chiefly in the logging encampments in the forests of Maine. Liberty sometimes finds its most devoted friends in the fastnesses of the Alps.

Yours truly A. Willey

Please send him a paper containing the acknowledgment of the within six dollars
