benefit of the Amistad Captives. I would suggest that you write him a line informing him what you have heard (without telling from what source) and requesting him to increase the amount, which can doubtless be easily done, and then forward it to you.

Our church have voted out of their monthly Anti Slavery Collections, about ten dollars, which I shall receive in the course of a few days.

I have inserted in the Penna Freeman of this week, another appeal to the good folks of Penna, which I am in hopes will bring in something more.

Would it not be well to acknowledge in the Penna Freeman the amounts which are sent to me?

I will send you from time to time whatever sums may be handed to me.

Yours very truly
