\$50.00. Recd. Nov. 6. 1840. of Lewis Tappan.
Fifty Dollars, on acc of Paper for
the Anti Slavery Reporter. No. 40^{pts}.
J. W. Benedict

Dr Tappan.

When the Reporter was started I had to get a quantity made expressly for it as there was none of the right size in market. The alteration of the form, has left me a 3 ms supply on hand for 3 ms. past. while I have had to purchase other lots. To day I have to pay \$50. on the last lot. by agreement. Will you oblige me by advancing the money? I suppose it can be taken out of the amt. to be appropriated from the Amestad fund for the present No.

There is due me for the Reporter No. 4 and 5.	\$56.20
do do No 6 and 7	118.01
