Mr L. Tappan,

Dear Sir,

Your note of the 11th inst. is before me - I have received the money you refer to, and some more since - and ~~shall~~ frequently in the receipt of money for the same end - Brother Phelps has also rec^d 50 to 75 dolls for you. We intend to transmit the amount together, either by brother T. Leavitt, when he returns, or sooner, as it may be most convenient to us. Meanwhile you will greatly oblige me, and the Public by a brief note in the next Emancipator stating the whole amount needed, and the amount rec^d by the Committee for this most important cause. It will facilitate future donations, and satisfy many inquiries.
