

Heedly Decr 28th 1840

To Lewis Tappan Esq

Sir

In the extra sent out by the American and Foreign A. S. Reporter I see that you are one of the committee in behalf of the Africans taken on board of the Amistad and will receive any money that may be sent for their benefit. I have with me here three dollars to be applied for their benefit as you may think best.

Yours & C

Ephraim Smith
