Brother Tappan -

I am sorry I cannot be with the Com. this eve, but I have an engagement at home tomorrow morning that cannot well be dispensed with.

I shall come in on Monday, prepared to go to Washington on that day if necessary - if not, ^{1. half out of 80} on Wednesday. As I rely on that I can come by reporting for my expenses there, I should feel greatly obliged if the Com. think proper to advance me \$100 in advance, the balance of what I do not come to be refunded. Please let me know what you think I should then I ought to go.

Yours truly
John Leavitt
