Dear Garrison

My dear friend

Yours of the 12th enclosing
your check for \$300. the amount of H. Koffler's note
forwarded to you for collection came duly to hand

I feel indebted for your attention in collecting
said note, and remitting the amount.

Your remarks in replying to my queries in
relation to the N.Y. Free Churches, &c have been
read with deep interest. I feel under great
obligations to you for your kindness in writing your
views so fully on the subject.

I ^{will} have the appeal of your committee published
in the Freeman, and do what I can to raise more
money for you. I have already received
some twenty or thirty dollars.

In haste

Yours very truly
