

Enclosure: 31 (sic) June 1872. Kate
Partlett to Mrs. Mary S. Gooden

June the 31

1872

New Plymouth

I am short of many things in my
First letter to you and in hope it will
be good to dont suppose that you have
had a bad letter being dead she died
the whooping cough and long fever she was the
youngest and we do miss her so it will
send you a comb of her hair she was so pretty
she was so white she had bright blue eyes and long
hair as you may see she miss Betty Mother
had been sick but she is better now
grandma is well Aunt Mary is better

now i wish you was here to spend part
of July the young folks are a going to
do away Libbie is go to court files
she had bin a teaching school over there
pleas not let any one see this one your
self Katie is a going to write i hope
nothing to send George now but when he get
a little bigger i will send him something
now Albert had a Gallon on his thumb
i must stop now write soon and
let us know how you are
