## ECLIPSES IN 1864.

---

There will be only two Eclipses this year, both of the Sun, and neither visible in the Atlantic States.

I.—A central Eclipse of the Sun May 5th. This will be visible as a *partial* Eclipse just before or at sunset, in Wisconsin, the western part of Illinois, and in the States and Territories west of the Mississippi River, except Louisiana. Invisible east of them.

II.—An annular Eclipse of the Sun, October 30th, invisible in the United States except in New Mexico, and Texas.
