Tulane Vs. Texas

Tulane's 1958 Green Wave opens its home football schedule tonight, and if Coach Andy Pilney's Greenies muster a full-game performance such as they displayed during the second half last Saturday at Gainesville, you fans will be in for many thrills.

This team is loaded with sophomores and juniors—thus it is still in its formative stages and may need time and battle experience to get under full steam. But—in the meantime the '58 Wave should with its accumulation of experience become tougher and tougher with better prospects for victories.

There are 17 lettermen back from the '57 squad with No. 20 Claude (Boo) Mason, Richie Petitbon, 17; Pete Abadie, 81; Jimmy Blount, 69; Connie Andrews, 40; King Fleming, 34; Leo Young, 86; Don Lockwood, 77; Neal Jones, 50; and Billy Clements, 60 likely starters in this game. Phil Heffington who caught five passes for 62 yards last week could retain the job at left end, while ailing John DiVetro, 62, could provide depth at guard if he is able to go.

A promising crew of sophomores drew first taste of varsity competition against the Gators will also see much action against the Longhorns. Watch for Tom McClellan, 47 and Tommy Mason, 44 at fullback; Percy Colon, 33 and Howard Kisner, 35 at halfbacks; Phil Nugent, 10 at quarterback; Frank Siciliano, 87 and Pat McLean, 81 at ends; and linemen Bernard Darre, 73; David Michiels, 63 and Joe Lesage, 74.

Carlton Sweeney, 11, Petitbon and Nugent will be in there pitching although last week's total of 41 pass attempts is no guarantee that the Wave will travel only through the air. Against Florida, Sweeney connected on six out of nine passes for 54 yards. Nugent completed seven out of 17 for 92 yards and one TD, while Petitbon struck on seven of 15 for 45 yards.

Standout Texans are Rene Ramirez, 46 at right halfback; Bobby Lackey, 22 at quarterback; George Blanch, 41 at left half; end Maurice Doke, 81 and tackle James Shillingburg, 66.

If the Greenies can rebound, as they have in the past, tonight's battle may turn into another of the exciting games such as played between these rivals in recent years.

if men talked about clothes as much as women do

... (and who's to say they don't!)... you'd probably hear this across a luncheon table: “Good-looking suit, Joe, where'd you get it?”

“Thanks, Bill... Maison Blanche... wasn't too expensive, either. Of course, Sue helped me pick it out. Do you really think it looks OK?” and Bill has to say “yes” (not only because Sue went along with Joe, but because MB just won't let you buy a suit unless it fits — and looks — well. Next time you're in the market for one... come on in, see what we mean.

Halfback Claude "Boo" Mason 5-10, 175-pounds from Lake Charles, La. A two-year letterman was best back on the '57 eleven. An excellent runner and receiver he also excells at pass defense. Boo gained 470 yards in '57 to rank as second among the Greenies. Scored 18 points on three TDs last year.

Left Guard James "Jimmy" Blount 5-10, 190-pound senior from Groves, Texas. Also a two-year letterman. Jimmy's hustle in defensive pursuit last year made him one of the Wave's top linemen. Small but rugged he has skill and determination that keeps him going against larger opponents.

Tulane Stadium

Tulane Stadium, lighted last year at a cost of $168,000, is famous as the home of Green Wave football teams and of the annual Sugar Bowl Classic, was dedicated 32 years ago this fall with east and west stands seating 35,000. Subsequent enlargements, due in large measure to the efforts of the Sugar Bowlers, have increased the capacity to its present 80,985. The stadium is located on the site of the Etienne de Boré plantation, where sugar was first granulated in this country.
**ALMA MATER**

We praise thee for thy past, O Alma Mater!
Thy hand hath done its work full faithfully;
The incense of thy spirit hath ascended
And filled America from sea to sea!
We praise thee for thy present, Alma Mater!
Today thy children look to thee for bread!
Thou leadest them to dreams and action splendid!
The hunger of their souls is richly fed!
We praise thee for thy present, Alma Mater!
The vista of its glory gleameth far!
We shall ever be part of thee, great Mother!
There thou will be where e'er thy children are!

**Chorus**

Olive Green and Blue, we love thee.
Pledge we now our fealty true
Where the trees are ever greenest,
Where the skies are purest blue.
Hear us now, O Tulane, hear us.
As we proudly sing to thee!
Take from us our heart's devotion!
Thine we are, and thine shall be!

**ROLL ON, TULANE**

Here's a song for the Olive and the Blue.
Here's a cheer for the team that's tried and true.
Here's a pledge of loyalty to thee.
Oh, Tulane Varsity.
Here's to the Greenbacks that never will say die,
And here's to the hearts that are true
To the men of Tulane who are fighting for her name,
For the Olive and the Blue.

**Chorus**

Roll, Green Wave,
Roll them down the field.
Hold, Green Wave,
That line must never yield.
When those Greenbacks charge through the line
They're bound for victory.
Hail, Green Wave,
For you we give a cheer.
Hail, Green Wave,
For you we have no fear.
So ev'ry man in ev'ry play,
And then we'll win that game today.
Hurrah for Old Tulane!
it's the performances that scores!

Hickey-Freeman

In the business world, as on the playing field, it's the performance that counts. And a man does a better job of work when he possesses the assurance that comes of faultless appearance. That's why top men everywhere are to be seen wearing suits customized® by Hickey-Freeman! They look better . . . feel better . . . do better . . . in Hickey-Freeman.

Among the several rules changes this year, the one that will undoubtedly come as the greatest surprise, is a change in the scoring. In the memory of most of us, there has never been a change in the points allowed for a touchdown, field goal, safety or point after touchdown. This year the score boards will take on a new look as a result of the decision of the rules committee to alter the rule governing the attempt to score after touchdown. Two points will be allowed for rushing or passing the ball and one point will be allowed for a place kick or drop kick. The feeling here is that this will definitely liven up a play that has heretofore been rather routine and dull. Occasionally there was a fake kick which added some color to the play but in most cases the expert in place kicking was sent into the game and it became routine. It will be my guess this year that the team that scores first will have to go for the two points to protect their lead and you will see some very imaginative football on this play.

To examine this rule a little more closely it reads this way—on the conversion after touchdown, two points will be scored if the try results in what would have been a touchdown, one point will be scored if the try results in what would have been a field goal or safety. Now the last part of this statement has caused quite a few raised eyebrows. How can a try for point result in a safety? Well that is a good question and here is an example of how it could happen. Let's say Team A on the point after touchdown decides to rush the ball. Team A player gets to the one yard line and fumbles the ball across the goal line into the end zone, he tries to recover it for the score and is held by a Team B player. Well you know that a foul such as this would give Team A the ball at the spot of the foul. A touchdown could not be awarded on such a foul but the rule states that the penalty for a foul committed when the ball is free which would leave the ball in Team A's possession behind Team B's goal line shall be a safety. If this play occurred during the game it would score two points.

While we are on the subject of the point after touchdown, let me point out another change in the rules this year. You will recall, in the past when a touchdown was scored, the ball was always placed on the two yard line for the try for point. This year the ball will be placed on the three yard line.

Other rules changes that will be noticed this year are—

NUMBER OF FREE TIME-OUTS ALLOWED EACH TEAM DURING EACH HALF REDUCED TO FOUR

In the past each team was allowed five free time-outs in each half so they will have one less in each half this year.

A PLAYER IS ELIGIBLE TO RE-ENTER THE GAME ONCE DURING ANY PERIOD

Last year only the player who started the period could re-enter during the same period. This is a definite liberalization of the substitution rule and may tend to bring back the platoon system of football as any player may go in and out of the game eight times during the afternoon. This will also help to give a player a "breather" and still get him back in the game during the same period which should have a tendency to cut down on injuries.

ON KICKOFF OUT OF BOUNDS BETWEEN THE GOAL LINES, UNTouched OR LAST TOUCHED BY TEAM A, TEAM B HAS OPTION

Last year if the kicking team kicked off out of bounds between the goal lines or the ball was last touched in the field of play by Team A before it went out of bounds, the ball was kicked off a second time. If the same thing occurred again, Team B was awarded the ball on their restraining line which was ten yards in advance of the previous kicking spot. This year Team B has the option of either taking the ball at the spot where it went out of bounds or having Team A kick it off again at a spot five yards behind the spot of the previous kick.

IN OFFENSIVE BLOCKING THE OPPONENT MAY BE CONTACTED WITH ONLY ONE ARM AND HAND AT ANY ONE TIME.

Last year an offensive blocker could use both arms as long as his hands were in contact with his own body and the block was below the shoulders of the opponent. It was found that this type of stand-up block could be brutal and in an attempt to eliminate some of the abuses of this block, it is now restricted to the use of one arm with the hand in contact with the blocker's body.

PRIVILEGES OF TEAM A PLAYERS ON PASS PLAY CLARIFIED

When the ball is snapped, offensive linemen, who are ineligible receivers, may charge into opponents and drive them back providing that contact is established at a point not more than one yard beyond the line of scrimmage. If this contact is lost, these linemen must remain stationary at the spot until the pass is thrown. Last year these linemen could not go down-field until after the ball had been touched.
